Exciting, intelligent, healing, inspirational and at times humorous, the Spirit Symposium will bridge the gap between the scientific and the spiritual. Share the journeys of discovery by four extraordinary and creative voices in Afterlife Research: Dr. Gary Schwartz, Mark Anthony the Psychic Lawyer®, Dr. Marjorie Woollacott and Dr. Robin Weeks on life after death, near-death experiences, the survival of consciousness, spirit communication, karma and reincarnation. You just might discover that the paranormal is really normal after all!

- Thur, June 9** 5:00 pm **Open Reception: Meet the Speakers**
- Fri, June 10** 9:00 am **Mark Anthony: Evidence of Eternity: It's Not Hocus Pocus**  
Mark Anthony's knowledge and humor transports the audience on a logically mystical journey demonstrating how afterlife communication is based on science, quantum physics, physiology and evidence.
- 10:30 am **Marjorie Woollacott: The Doorway to Understanding Consciousness: The End of Life Transition**  
We will explore scientific studies on the end of life transition, giving compelling evidence that conscious awareness does not require a functioning brain.
- 11:30 am Book Signing  
Noon Lunch Break
- 1:30 pm **Gary Schwartz: Fraud, Mind Reading, or Spirit? The Science Speaks**  
Skeptics say fraud, parapsychologists say mind reading, mediums say spirit – what does the science say? Dr. Schwartz shares his latest research from University of Arizona.
- 3:00 pm **Robin Weeks: Beyond the Divide between Science and Spirit**  
Is it possible that we could have a worldview, supported by science, in which what we currently call the paranormal would be normal? This question is explored.
- 6:00 pm **All Speakers Panel Discussion: Permission to Grieve**  
Moving through the grief or loss of loved ones and other end of life issues is seen from different aspects.
- Sat, June 11** 9:00 am **Mark Anthony: Rulers, Royals, Psychic and Spirits**  
From Pharaohs to Presidents, politicians denounced psychics—or have they? Join Mark on an exciting mystical adventure through time to discover the psychics behind the Thrones.
- 10:30 am **Gary Schwartz: The Soul Phone Revolution: How Will Our Lives Change?**  
Imagine that new technology can enable us to text or Skype with our departed loved ones. Dr. Schwartz presents his latest research and explores how our lives will be transformed.
- 11:30 am Book Signing  
Noon Lunch Break
- 1:30 pm **Marjorie Woollacott: Consciousness after Death: Scientific Studies on Reincarnation**  
Though society is divided on evidence of life after death, we will present carefully validated research on cases suggestive of reincarnation, supporting survival of consciousness.
- 2:30 pm Book Signing
- 3:00 pm **Speakers Panel Discussion: Science's Biggest Challenge: Understanding the Nature of Consciousness**  
Where is It? What is It? Join our panel of distinguished scientists in exploring the relationship of the brain and mind in understanding the mystery of consciousness and beyond.
- 7:00 pm **An Evening of Spirit Communication with Mark Anthony the Psychic Lawyer®**  
Through Evidential Mediumship Mark will demonstrate how contacting loved ones in spirit is therapeutic and healing. Mark, will connect random audience members with loved ones on the Other Side. This uplifting presentation is not to be missed.
